Sale will be held at

SAC CITY, IOWA

Fri., Dec. 16, 1927

To The Public.

In recommending this offering of cattle to the public, there is no apology to be made. They are, first of all, the correct type for profitable farm cattle, typical beef type coupled with the largest milk production known to cattle of that type. There is an unusual similarity of type running through this herd that constitutes uniformity seldom attained by Shorthorn breeders. The foundation cows of this herd were carefully selected. I am confident that no sale in the midwest this year offers as many good breeding cows as are included in this sale.

(Signed) N. G. KRASCHEL.

NOTICE

In addition to the Shorthorn sale there will be a complete dispersion of the farming implements, tools, trucks, tractor, etc., and about 300 head of live stock as follows: 16 good young horses; seven bred mares with service fee paid; 50 bred Poland China gilts, not registered; 50 stock hogs; two registered Poland China boars; 50 head of bred ewes; 40 grade cows and heifers, bred or with calves at foot; twelve grade Shorthorn calves now on feed.

The sale of the articles listed above will commence at 10 o'clock a. m., Dec. 16th, except that the grade cattle will be sold following the pure bred sale which will start at 1:00 p. m.

The Neal and Son herd is one of the best of its size in Iowa. The animals are all of excellent type and character and their pedigrees will appeal to discerning breeders. It is unusual for guarantees to be given at dispersal sales. But Neal and Son are departing from the usual custom and guaranteeing these cattle as fully as though it were an ordinary draft sale. The financial ability and the integrity of the members of this firm is unquestioned.—Will Johnson of the Shorthorn World.
